

INFORMATION FOR PARENTS –

SCHOOL BUS SERVICES TO TORQUAY COLLEGE AND ST THERESE PRIMARY SCHOOL 2009

- School bus services to Torquay College and St Therese Primary School 2009

INTRODUCTION

In 2009 there will be improved bus services operating to Torquay College and St Therese Primary School. Two new routes are being introduced to improve public transport options and help reduce congestion at the schools at drop off and pick up times. Services on these routes will operate as town bus services with fares payable and both students and other community members will be able to travel on these bus services. Passengers will be able to access these services from existing bus stops in Torquay. A country school bus service will continue to operate for eligible students.

MORE INFORMATION – TOWN SCHOOL BUSES

For information on the new town school bus services including half yearly and yearly student travel passes contact McHarry's Buslines, telephone 5223 2111.

MORE INFORMATION – COUNTRY SCHOOL BUS

For information on country school bus services, travel eligibility and claiming Conveyance Allowance contact Torquay College, telephone 5261 2360 or St Therese Primary School, telephone 5261 4246.

Town School Buses

Two new services will be introduced for students living in the Torquay/Jan Juc township. Services will operate before and after school on school days and will run via the Torquay town centre. Standard regional fares will apply with a two hour concession ticket costing \$1.00 and a daily concession ticket costing \$1.70. Half-yearly and yearly student travel passes will also be available to purchase in late January 2009. All students will be able to travel at the concession rate. Students travelling on the town buses who live more than 4.8 kilometres from, and attend, their nearest government or non government school may apply to claim Conveyance Allowance to have the cost of their fare reimbursed. Applications for Conveyance Allowance should be made directly through Torquay College or St Therese Primary School.

Country School Bus

Students who live more than 4.8kms from, and attend, their nearest government or non government school are eligible for free travel on country school bus services. An Anglesea to Torquay route will provide a service for eligible students travelling to Torquay College or St Therese Primary School. Other students living more than 4.8 kilometres from Torquay College and who do not attend their nearest school (such as Bellbrae Primary School or Anglesea Primary School) may apply to travel as fare payers on this bus if there are spare seats available. Applications for fare paying travel on the country school bus will be only considered once applications for eligible travellers have been received and processed by Torquay College.
